Olde Towne East Property Survey

Starting Saturday, October 8th, your neighbors will be out with clipboards and cameras surveying all 600+ properties in our Olde Towne East neighborhood. We'll be noting building conditions, occupancy, end use and other factors. We need this information to apply for grants that will enable us to continue street improvements and the upgrading of building facades in OTE. We can also advise you if your property is in compliance with current Zoning Ordinance requirements. You are welcome to join us in this major endeavor. Be at the Community Resource Center no later than 1 PM. A well maintained neighborhood is a safer neighborhood!

Neighborhood Clean-ups

Three neighborhood clean-ups are scheduled in Olde Towne East in October. The first one takes place October 8th from 9 AM until noon. Join more than 100 volunteers as they clean up York City. Sponsored by Tidings of Peace Mennonite School, their Trash-A-Thon is a fundraiser for the school at 329 East Poplar. Each pound of trash collected means money for the school. No large items will be collected. Other clean-ups on the schedule are York City's Keep York Beautiful Clean-up on October 15 and the OTE Neighborhood Association Clean-up on October 22.

Hispanic Heritage Month Festival

Centro Hispano's second annual Hispanic Heritage Month Festival has been rescheduled for Saturday, October 8 at Renaissance Park on Princess Street. OTE President's Message

Hi Neighbors! First of all, many thanks to Tidings of Peace for partnering with the Olde Towne East Neighborhood Association on the Ice Cream Social. Fall is coming so remember that there is no burning of yard waste allowed in the City of York. Be sure to place your yard waste in the yellow yard waste containers or in special brown paper bags for pickup on your recycling day. Also, October is OTE Clean-up Month. Clean-ups are scheduled three Saturday mornings in a row — October 8, 15 and 22. Please join your neighbors in making Olde Towne East the cleanest neighborhood in the City. Hope all is well with everyone. If we can be of help in any way, please call the Community Resource Center at (717) 845-5791 and let us know.

Randy Grove, Olde Towne East President

OTE Ice Cream Social

At 3 PM on Saturday, September 17th, there were four individuals already in line for free ice cream at Tidings of Peace School. Then Poplar Street resident Josh Shenk hit the streets with a megaphone and local residents poured out of their homes. By 5 PM over 120 neighbors had enjoyed a delicious treat of ice cream and hot chocolate. Twelve gallons of ice cream were consumed by the happy crowd. It was a fun and exciting neighborhood social event. Thanks to the Olde Town East Neighborhood Association for the great idea! We look forward to seeing you again at next year's Ice Cream Social.

Ending Domestic Violence and Bullying Begins With Me

Being a victim of domestic violence and bullying can happen to anyone regardless of gender, race, age, religion, sexual orientation, or socio-economic status. To increase our community's awareness of available services, ACCESS-York, a program of YWCA York, as well as domestic violence organizations and others nationwide, are participating in National Domestic Violence Awareness Month and Anti-bullying Month during October. **Show your support by wearing a purple ribbon** available free from Rutter's stores and the YWCA - 320 East Market Street. Help our OTE community recognize that **domestic violence is a crime.** Let's end the violence. Report and encourage others to report any physical, verbal or mental abuse or bullying by calling 717-845-2531. The call can be anonymous.

Special thanks to Terri Johnescu for creating the template for the OTE Property Survey, Marie Rohleder for assistance in filing the recent group of code violations, and Brother Shenk and Tidings of Peace for hosting the Ice Cream Social.
