## Join Olde Towne East

It's time for the 2012 OTE Membership Drive! Membership is inexpensive and opens the door to greater involvement within the neighborhood. With membership only \$5 per person per year, here are a few reasons why you should join:

- Free WiFi and computer use during selected hours at the CRC and the Heritage Trust.
- Discounts for the fitness center and child care at the YWCA.
- Wednesday afternoon Neighborhood Swim Club for OTE children - fourth grade and up.
- Personal relationships with neighbors, city officials and other associations.
- Opportunity to participate in local activities and events including National Night Out, yard sales, neighborhood clean-ups, sewing and crafts, holiday parties, family activities, and helping your neighbors.
- Stronger advocacy for solving problems in OTE and York City.

Your support as a member and active participant in the Olde Towne East Neighborhood Association is very important to our continued progress! In addition to your dues, please consider a gift membership for one of your neighbors. Let us know who should receive this membership or simply enclose an additional \$5 or \$10 dollars and we'll select a recipient for you.

Annual dues are \$5 per individual and \$10 per business or organization.

## OTE President's Message

Hello Neighbors... hope all is well. Remember as residents of Olde Towne East we are here to help each other. As a first step, why not visit the Community Resource Center one afternoon and introduce yourself. Even better, come to the Olde Towne East Neighborhood Association Meeting at Asbury United Methodist Church on the first Monday of each month. It's an easy way to meet your neighborhood leaders and get involved in efforts to improve life in Olde Towne East. It's important that you become a member of the neighborhood association. The YWCA is trying to raise money to add new lighting on South Pine Street and your membership in OTE sends a strong signal to funders that you, the residents, are invested in making Olde Towne East a better place to live.

*Randy Grove*, Olde Towne East President
