YWCA York to Kickoff Pool Re-opening Celebration

York, PA—Renovations on the swimming pool at the YWCA York are complete and the pool will officially reopen in September. To celebrate the pool's reopening, the YWCA will be holding an open house on Sunday, September 20, 2009 starting at 2 p.m.

The festivities will begin with a ribbon cutting ceremony and followed by an exciting performance by the synchro team, York Synchro-ettes. Everyone in the community is invited to make a splash during open swim time. Tours will also be provided throughout the day. In addition, door prizes, which include t-shirts, caps and goggles, free lap swim punch cards, free three-month memberships, and tote bags, will be given out to attendees. Be sure to ask about new member discounts and free trials.

Before construction began several months ago, the idea of repairing and renovating the new pool seemed out of reach. But with the help from an anonymous donor, YWCA York was able to keep the pool and begin construction.

Fall swim registrations in the new pool start September 8. Members will be able to enjoy some of the same classes as well as some new additions coming this fall. Some of the classes have new names and now include: Golden Waves, Aqua Fit, and Wave Aerobics. Aqua Yoga is the new class members can look out for this fall. These classes offer benefits to all ages and vary from low-intensity to high-energy. Contact Kathy Warner for swimming rates and schedules.

Come out and join us for a fun-filled celebration as the YWCA gears up for the reopening of the renovated swimming pool to the community. Any questions or for more details, contact Kathy Warner, aquatics director at 845-2631 ext. 114. Visit www.ywcaofyork.org for times and complete event schedule.
